

SuperStall®

**SuperStall®** is a one-piece foam mattress system. It is the market's softest and most durable stall system. SuperStall® uses a proven foam cushion that has been used under animals in Europe for over 12 years.

## SuperStall Components

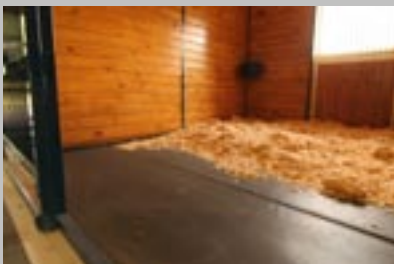

**One-Piece Top Cover:** The market's most durable one-piece waterproof top cover keeps your horse cleaner, healthier, and significantly saves on shaving costs. The cover is also unique due to its unlimited size customization and unmatched field reparability

**Foam Mattress:** A 12-year proven open celled foam engineered specifically for the rigors of the horse stall environment. The foam strikes the perfect balance of soft but stable, providing relief and rejuvenation for the horses joints and ligaments.
